Dear Parents/Carers,

Response to Parent/Carer Questionnaires

Thank you for completing our parent/carer questionnaire sent out in January. We genuinely value your feedback. The results were overwhelmingly positive and we were extremely touched by the kind comments that were returned. However, we always want to find ways to improve and so, in response to your feedback, we have committed to do the following over the next academic year:

- Explore how we can provide more information to parents/carers on informing you of how your child is performing at school
- Explore starting breakfast club at earlier time of 7.30am to support parents
- Continue to review, with the children, school dinner menu choices termly. We are also going to look at how we can better remove less popular items from the menu quickly.

All the questionnaire results and responses have been shared with senior leaders and staff at school, and will be shared with the school governing body at our next full governing body meeting. The results of the questionnaire have been published on our website and can be found by following this link - [Click Here](#). The results enable us to plan forward and adjust our school approaches as necessary.

If you would like any more information about any of these areas, please let us know. And, as always, you don't need to wait until a questionnaire, or a parent meeting, to raise anything with us - please catch us on the playground before or after school, or contact us at the office by email or telephone to set up an appointment.

Yours sincerely

Mr Walker
