8th February 2024

Dear Parents/Carers,

Response to Parent/Carer Questionnaires – January 2024

Thank you for completing our parent/carer questionnaire sent out in January. We genuinely value your feedback. The results were overwhelmingly positive, particularly in the areas of children feeling safe in school and parents feeling that children make good progress here. We were also extremely touched by the kind comments that were returned and these have also been shared with staff.

The results enable us to plan forward and adjust our school approaches as necessary. We always want to find ways to improve and so, in response to your feedback, we have committed to do the following over the next academic year:

- Provide regular curriculum information to keep you more informed of what your child is learning
- Further develop the choice and range of after school clubs for pupils

A breakdown summary of the results are attached to this letter or can be found on our 'Have Your Say' section of our website.

If you would like any more information about any of these areas from the parent/carer questionnaire, please let us know. And, as always, you don't need to wait until a questionnaire, or a parent meeting, to raise anything with us – please catch us on the playground before or after school, or contact us at the office by email or telephone to set up an appointment.

Yours sincerely

Mrs Watson
