Dear Parent/Carer,

Parent/Carers Questionnaire – Results

In January 2026 we gave all parents/carers from across our three schools the opportunity to respond to our annual questionnaire. These questions are based on the *Ofsted* parent/carer questionnaire questions. We received 227 responses overall. Thank you so much for your contributions and comments. We take these seriously and would like to share the results with you.

Please follow the following links to our websites for a breakdown of the individual school results and the individual school's response to the feedback we have received:

- [Blidworth Oaks](#)
- [Heathlands](#)
- [Lake View](#)

Within our partnership of schools, we are delighted with the overall feedback from the questionnaires. The responses were overwhelmingly positive in almost all areas, and the proportion of positive responses was higher than the national picture for almost all questions. Thank you so much for your ongoing support.

However, we know there are always areas we can continue to improve and you will see what we plan to do about this in our responses to the questionnaire results by following the links above. We also want to reintroduce a regular opportunity for parents/carers to meet, informally, with us as school leaders and give us ongoing feedback on your general school experience. These will be called 'Have Your Say' meetings and our first set will be held on the following dates:

- Blidworth Oaks – Tuesday 28th April at 9am
- Heathlands – Wednesday 29th April at 9am
- Lake View – Tuesday 5th May at 9am

More information will be provided closer to the time should you wish to attend.

Finally, I want you to know that we don't ever expect parents/carers to wait until our annual questionnaire to give us feedback. We gladly receive this by phone or email, or in person by catching us at drop off/pick up time or by appointment. Often things need dealing with at the time, so please always feel free to contact us.

Yours sincerely,

Mr Shaun Walker
Executive Head Teacher
