

**Welcome to Year 3**

# A bit about me!

- ▶ This is my second year teaching 3 at Lake View Primary School.
- ▶ I have high expectations and encourage the pupils to be the best they can be. I have an environment which promotes having a go and being ok to make mistakes. I am firm but fair in all decisions that I have to make. All decisions are made with the children at the forefront
- ▶ I am accessible through class dojo and I can usually be found on the gate at the beginning of the school day and the classroom door at the end of the day. I am always to make appointments for discussions if needed.

# Entering and Leaving School

- ▶ Our entrance and exit to school is located on the KS2 playground down the steps.
- ▶ Children in Year 3 start school at 8.50am and finish at 3.20pm. Doors are open at 8.45am every morning and children will be allowed in the classroom at that time so that lessons can start at 8.50am.
- ▶ Children enter school in the morning on their own.
- ▶ If your child is being collected by someone they are not normally collected by, please let teachers or the office know before the end of the day.

# Communication

- ▶ I will be available at my door most days at drop off and pick up for any quick concerns or information you wish to share – please be aware that this can be a busy time.
- ▶ Class Dojo is a brilliant form of communication. Just a reminder that all staff have 'quiet hours' set on their dojo accounts. At Lake View we encourage all staff to only respond to individual messages and posts between the office hours of 8am and 4.30pm, Monday to Friday during term time. If you do send a message outside of these times, please bear with the staff as they will pick this up and respond when they can.
- ▶ Dojo messages and phone messages, via the school office, can also get passed onto class teachers if needed.
- ▶ For a longer chat, please contact the school office to make an appointment for us to contact you by telephone.

# High 5 Reward

All children who succeed in the High 5 are invited to a special reward event, such as an overnight camp at school, a movie night or a water fight!

Children get three opportunities per year to earn this reward.

# Reading Challenge

The Reading Challenge is our school's system for developing a love of reading and encouraging children to develop good reading habits outside of the classroom. Reading is such an important skill to develop in life and we make no apologies for pushing our children with this challenge! It is very simple - we expect our children to read at least 50 times outside of school each term (Autumn, Spring and Summer). Therefore, the challenge takes place three times a year

## What is a 'Read'?

- A child reading their school book for at least 10 minutes at home (a maximum of once per day)
- A child reading or hearing a 'Read for Pleasure' book or comic from home, school or the library for at least 10 minutes (a maximum of once per day)
- Children can collect a maximum of 14 'reads' per week and across an average term this could total as many as 160 'reads'!

## What can you do?

- Encourage and support your child to complete the challenge. Older, more developed readers may be able to read independently to themselves, but please talk to your child about what they have read.
- Fill in your child's Home Learning Diary by finding the correct week and ticking off the days when they complete a 'read'. A comment is not needed every time.
- Send your child's reading book and Home Learning Diary to school EVERY day.

Please note: we count a child's 'reads' once a week but cannot back-date them.

## What are the Rewards?

- For every 50 times a child reads each term they will receive a token for our Reading Arcade. Children can choose to spend their token(s) straight away or save them to spend on a bigger prize at the end of the year.
- If a child completes the Reading Challenge this means that they have also achieved one section of the Lake View High 5!
- Your child will develop a natural love of Reading; an incredibly important skill that is used in every curriculum subject and in every day of our lives.

# Homework

- ▶ More details about homework will be available from September.

# Attendance

- ▶ Good attendance is considered 96% or above.
- ▶ To earn the High 5 Reward each term requires no more than two days of authorised absence.
- ▶ Trust us to look after your child, even when they might be feeling a little unwell, we will always call if we feel they need to go home. Staff can also administer medicine to children with parental permission.

# Attendance

- ▶ Remember term time holidays will not be authorised unless there are **exceptional circumstances** and you may even be fined **per parent, per child**.
- ▶ Being on time is also important, children start learning within five minutes of entering school!
- ▶ Further information about attendance and lateness and how we can support you as a school can be found on our school website.

# School Uniform

- ▶ Royal blue jumper, cardigan or fleece (with or without school logo)
- ▶ White or blue polo shirt or school shirt
- ▶ Grey or black trousers, shorts, skirt or dress
- ▶ Fully black shoes

# School Uniform

- ▶ PE Kit
  - ▶ White t-shirt (plain or school logoed)
  - ▶ Black shorts or jogging bottoms, black jumper/jacket
  - ▶ Trainers or plimsolls
- ▶ All uniform with the LVP logo on can be purchased online at: [www.just-schoolwear.co.uk](http://www.just-schoolwear.co.uk)
- ▶ Full uniform, including black footwear, and full school PE kit must be worn every day to earn the High 5 Reward.

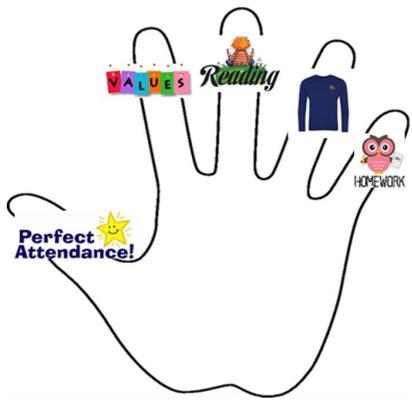

# School Uniform

## ► Ear rings and jewellery

On health and safety grounds, we do not feel it is appropriate for children to wear jewellery to school, and any parents who allow their child to do so must accept responsibility for any injuries that may occur as a result of their child wearing it. However, we would accept children wearing a watch (no smart connected watches), or plain stud earrings.

A child who wears jewellery to school will be required to remove it themselves before participating in PE lessons. Ear-rings cannot simply be covered.

# Values

- ▶ Children earn Value Points from all adults within school by demonstrating any of our school Values in their learning or behaviour.
- ▶ Every Value Point awarded is recorded and goes towards individual and House Team totals.
- ▶ Children need to earn 50 or more Value Points per term to earn the High 5 Reward.
