Year 5

About Me!

Hi, my name is Miss Benson and I am the Year 5 teacher. I have been teaching for over 5 years! When I'm not at work, I love cooking, going to visit friends and family in my hometown, Essex, as well as going on holidays. I love teaching the Year 5 curriculum, we have a range of great trips to enjoy! I am really excited for the year together and cannot wait to see what's in store!

Our Learning - Autumn Term

This term we have a variety of exciting units to cover! We begin the Autumn term by looking at Rivers in Geography and Georgia O'Keefe in Art - challenging our drawing skills. As well as this, we will start our DAaRT programme - more information to follow on this. After the half term, the focus moves to History and we begin our local study into the mines followed by a trip to the National Coal Mining Museum.
