 Friday-Wheelchair Basketball Club (Y5/6)

WHAT HAPPENED THIS WEEK?

Thank you to all those parent/carers that attended our first 'Celebration Assembly' of this spring term, it was lovely to see so many of you in attendance celebrating your child's personal and educational achievements this week. It is always lovely to hear all the fantastic stories from your teacher, of how hard you are all working in the week.

This week we held our termly TLCs and there was a tremendous take up of appointments, thank you! We hope you all found them extremely useful and took the opportunity to discuss your child's great achievements, but also any concerns you have. Could we please politely ask that you complete the parent/carer questionnaire using this link [Parent / Carer Questionnaire Spring 2026 – Fill in form](#) . This helps us to look at any areas for improvement.

This week year 4 resumed their swimming lessons and all came back very excited, but tired from swimming all those lengths!!

We were extremely proud of Marley in year 6 this week, who was inspirational and brave as she had 20 inch of her very long hair cut off to donate to the Princes Trust, who make real hair wigs for children who have lost their hair due to cancer or other serious illness. She has also raised over £900 for the trust too, please feel free to add to her sponsor money by dropping any amount into the school office.

Today saw the start of wheelchair basketball for KS2 children and it's safe to say fun was had by all and there was certainly a great buzz of laughter in the hall.

L-Lake are this week's winners!
 Have a great weekend!
