- Friday-Board Games Club (Y3/4)
- Friday-Wheelchair Basketball Club (Y5/6)

Once again we end our week with a big thank you to all those parent/carers who attended our 'Celebration Assembly' today. The theme of the week appeared to be how much perseverance our pupils show with their work, which is a tremendous life skill and one of our school values-well done everyone!

This is our third week back and all pupils have now settled into our school routines and progressing really well with their studies. The pupils have shared with Mrs Watson some outstanding pieces of written work, showing some creative and imaginative ideas, to which they should all be very proud of.

Thank you to all those that supported school fundraising by purchasing a book from the book fair, the children really enjoyed looking through the different titles and every book purchased earns money for school.

It was wheelchair basketball again today and once again there was a buzz in the air of pure excitement and adrenaline. The children are loving the new physical skills they are developing, as well as listening and singing along to all the party songs the movements are coordinated to.

Well done to Cauldwell house this week on winning the most house points of the week!

Have a great weekend!
