- Thursday- Gymnastics (KS1)
- Friday-Board Games Club (Y3/4)
- Friday-Wheelchair Basketball Club (Y5/6)

WHAT HAPPENED THIS WEEK?

What a wet, soggy and cold week this was!

Despite the weather all of the children have come into school positively and eager to learn. There has been a few wet play breaks, but this hasn't stopped the fun and the children have been impeccably behaved. Hopefully next week is a better week weather wise, but if it isn't could we please politely remind you that children need to wear appropriate cold weather clothing and bring in wellington boots for outside play. -Thank you

Our fourth 'Celebration Assembly' of the term was once again well attended by parents/carers, thank you. We heard great feedback from the teachers on how well the pupils are showing our school values day in day out, especially the value of 'ambition'.

On Thursday year 2 held their 'Seeing is Believing' afternoon, to which parents were invited into class to sew teddy bears. There were some terrific and creative designs on view. All of the children thoroughly enjoyed having fun sewing alongside their parent/carer.

It was wheelchair basketball again today and once again there was a buzz in the air of pure excitement and adrenaline. The children have settled well into the routines and are still enjoying every session, especially the competitive team work.

Well done to Rufford house this week on winning the most house points of the week!
Have a great weekend!
