Wednesday-NFL American Flag Football (Y5/6)

Thursday- Gymnastics (KS1)

Friday-Board Games Club (Y3/4)

Friday-Wheelchair Basketball Club (Y5/6)

WHAT HAPPENED THIS WEEK?

Thank you to all those parent/carers who attended today's 'Celebration Assembly', it was lovely to see the hall so full and to hear all the terrific stories of hard work, determination and that you all have showed the school values each and every day.

Year 4 attended the 'Young Voices' event on Monday and they sang their hearts out and enjoyed dancing the night away. They all showed impeccable behavior, even though it was an extremely late night for them. Well done for getting through their learning the next day too, although there were a few sleepy faces !

Tuesday was 'Safer Internet Day' to which the children learnt about safe internet use, especially around AI, which can be very tricky to navigate safely. Please see dojo for parental guides.

A small selection of year 3 pupils took part in 'Bikeability' on Tuesday. They braved the rain and enjoyed learning how to ride safely. They followed the instructors guidance and instructions extremely well and all earned themselves a certificate-Well Done!

As part of British Science Week (6th – 15th March), we would like to invite the children to enter the annual poster competition! This year the British Science Week poster competition is linked to a real scientific research question. The UK government are thinking about how to build a positive future for children. So, they are asking: What is a good childhood? The poster must be: A4 or A3 size. Pupils can use pop up pictures, pull out tabs or use materials such as paint, drawing pencils, crayons and paper. Please bring all completed posters into school by Friday 6th of March 2026. Posters will be judged during Science Week, the top 5 will receive prizes and their posters will be entered into the national British Science Week competition. We look forward to seeing your entries!

Well done to Clumber house on winning the house award this term!

Have a wonderful half term break, stay safe and we will see you when we return on the 23rd February.
