 Friday 13<sup>th</sup> March-High Five Cut Off  
 Friday 13<sup>th</sup> March-Mothers Day Event (Y4/5/6)

## WHAT HAPPENED THIS WEEK?

Thank you to all those parent/carers that attended our Celebration Assembly today. We always enjoy celebrating the weeks successes and hard work and dedication of all pupils.

This second week back has been a very busy, but exciting week! The week started with year 3 having a walk around the village of Rainworth, as part of their topic work. The weather was kind to them and they took in the sights of L- Lake, local churches and various shops. All were impeccably behaved and showed school values in abundance.

Year 5 were visited by Bilsthorpe Heritage Museum, who came with a coal mining box, that was full of artefacts from years gone by. They talked to the class about what mining life was like and the children had plenty of opportunity to ask questions. They left leaflets about their museum which is open for anybody to visit and helps support the ex-miners.

As you know Wednesday was World Book Day and what an array of colorful and fantastic costumes were on show. Thank you to all parent/carers for supporting this special event. Even the staff all joined in with a theme of Julia Donaldson book characters. Mr Walker read a story to all the children of all 3 schools. It is safe to say that they all thoroughly enjoyed hearing Mr Walker read to them. Ask them 'Do you trust fish?' Throughout the day reading was a key theme and the children enjoyed reading their stories they brought in from home and even our year 6's read with the younger pupils in school.

We would just like to take this opportunity again to offer our sincere apologies for all of the inconvenience, worry and confusion that the recent maintenance on the School Gateway App has caused. Unfortunately, it would appear that there are still a few teething problems, especially around money credits showing on accounts, so could you please bare with us whilst the company fix this. If you are still having problems accessing your account, let the school office know as a matter of urgency. We really appreciate your understanding and patience.

Don't forget to book your Mothers Day Tea-cut off is Monday 9<sup>th</sup> March.

Well done to L-Lake house on winning the house award this week!
