Friday 27<sup>th</sup> March- **Last Day of Term**

## WHAT HAPPENED THIS WEEK?

Thank you to all those parent/carers that attended our Celebration Assembly today. It was fantastic to hear all about your hard work and how you are all wonderful students to teach. Every week we hear stories on how much you all use your school values in and around school.

Thank you to everyone who donated a £1 today for 'Red Nose Day'. Throughout school all you could see was an array of various shades of Red. We raised £150 for charity-Thank you and well done!

On Monday our F1 & F2 pupils invited their mums into school for a stay and play afternoon, as the last part of our Mother's Day Celebrations. The children really enjoyed having fun alongside their mums/grandparent/carers decorating biscuits and painting pictures and other fun activities.

The Mental Health Team visited our KS2 children on Wednesday to hold workshops on understanding our feelings and emotions. The children all found this very useful and interacted tremendously well with staff leading the sessions.

Today year 2 have been off on their travels to the Yorkshire Wildlife Park in Doncaster as part of the science topic work. Yorkshire Wildlife Park is the home to the largest collection of Polar Bears in England! and they were also able to spot some of the worlds most endangered animals including Amur Leopards and Tigers. Well done to all the pupils for showing their school values in abundance.

The Social Action Hub will be visiting again on Tuesday the 24<sup>th</sup> March from 3.20pm, with their pop up school uniform shop. There will be various school wear items on sale for small donations.

Finally, if anyone has any spare donations of small child sizes of new/nearly new underwear, socks, skirts and trousers we would be extremely grateful.

Well done to L-Lake house on winning the house award again this week!
