Wednesday 22nd April -TLC F1/F2

Thursday 23rd April-Y4 Swimming Resumes

Friday 24th April- Celebration Assembly

**After school clubs will resume week
commencing 27/4/2026**

WHAT HAPPENED THIS WEEK?

What a terrific start back to the Summer term. It was lovely to see all the children back looking refreshed from their Easter break. They all settled back into school routines really quickly and were all impeccably behaved.

First day back was our school values day, to which we explored and celebrated the value of 'Responsibility'. Each class looked at what the word responsibility meant to them. Years 3 and 4 were lucky enough to take part in an afternoon learning all about bees and their impact on the environment, they all said that tasting honey was great fun!! Year 5 created their own class responsibility tree and year 4 produced work on understanding how our everyday choices impact the environment, which is on display on the class window. Please take a look.

'Little Ducklings' officially opened their doors this week and we now have 4 new little ducklings joined school-welcome to Lake View! All thoroughly enjoyed their first experience of school life and had lots of fun playing with all the new toys and making new friends. The water play was a firm favourite. 

Year 6 were extremely excited to receive their leavers hoody this week. These, every year, often seem to be the 'it' fashion item to be seen in!!

As the weather seems to be very interchangeable at the moment, could we please politely request that children still have wet weather clothing in school and perhaps a sun hat too for the warmer and hopefully sunny days. 

Could we politely ask that you consider our neighbours when bringing and collecting your child from school. Unfortunately, we have had a complaint about inconsiderate parking and levels of noise. We do understand the difficulties an estate like Thoresby Road does present around parking, we just need to be considerate when we can-Thank you !

Have a wonderful weekend!
