### WHAT HAPPENED THIS WEEK

What a busy week !!!

Well done to our year 6's this week, who have all worked extremely hard, remained calm, focused and positive as they sat their SATs this week. Throughout their time at Lakeview they have worked towards this week and they all deserve to now take pride in their achievements. Thank you to everyone who has supported their journey.

A big thank you also goes to every child in school, for showing the school values of perseverance and responsibility, whilst the year 6's sat their tests. You all adapted well to timetable and break time changes, without any moaning, and more importantly you also supported your fellow pupils when they needed it-well done!

We have the school photographers here on Tuesday, taking group class photographs. We are hoping the weather is sunny and we can take the opportunity to hold these outside. We are also hoping to catch our new starters in school, for their individual photographs. So that will be anyone who has started after the end of September.

As we are fast approaching the end of yet another half term, could we please remind you that we end the term next Friday and the first week back is 'Varisty Season', in which we will be hosting our yearly sports day events. The children always look forward to these and enjoy the run up practising even more! With this in mind, could we please ask that PE kits are in school all week, so they can pull in extra practices, if they get the opportunity.

Have a wonderful, hopefully sunny weekend!
