WHAT HAPPENED THIS WEEK

What a beautiful sunny end to this term!

Our year 6's were out on a school trip this week, they visited the National Holocaust Centre, in Newark. It was a very thought provoking visit, to which they all came back very thankful for the life they lead. They started the visit with a step back in time to Nazi Germany, in which they stepped into the life of Leo, a young German Jewish boy growing up in 1930s Berlin.

We had the school photographers here on Tuesday, taking group class photographs. All of the children thoroughly enjoyed this experience and there were some very smiley faces. We hope you have managed to look at the proofs and been able to place your order. Hard copies can be viewed in class if you prefer.

Amazing writing was the theme for our 'star of the week' and we are extremely proud of you all, keep up the hard work!

This half term has flown by remarkably quickly, and the next term is our last in this academic year-Wow ! The first week back starts 'Varisty Season', in which we will be hosting our yearly sports day events.(please see seperate dojo for timings). There will be more celebrations and performances to look forward to, so please keep a look out.

Hopefully, this is the start of the summer weather we have all been asking for, so when we return, could we please politely remind you to provide a sun hat, sun cream and drinks bottle everyday in school.

Have a wonderful, hopefully sunny half term break!
