## WHAT HAPPENED THIS WEEK

What a fantastic start back this term. Our first day back, we celebrated the school value of 'Ambition'. Activities included children researching and then holding open discussions on their hopes for the future. Their aspirations are certainly high! Alongside what job they would like in the future, they also discussed, is it better to 'save or spend' and 'wants and needs'.

Our year 6's were transported back into WW2 times and all came in dressed in WW2 costumes for the day. Thank you to everyone for their fantastic efforts, they all looked amazing. To add to the atmosphere the aid raid siren kept going off and they had to take cover and put on their masks! They worked on understanding the timeline of WW2 and recreated recipes that were designed with rationing in mind, not sure they all enjoyed the end result!

Unfortunately, the weather beat us this week and we had to make the very difficult decision to cancel our sports day events. We never make these decisions easily, but the health and safety of our pupils will always come first. New dates are listed above.

Clumber House were our house winners last term, so they are invited to wear non uniform next Friday the 12<sup>th</sup> June.

As we start a new term, could we please just take the opportunity to remind parents about being considerate to our neighbours when parking your car. Unfortunately, we have already received a complaint.

Hopefully, the summer weather will return very soon and we can all enjoy the sunshine again. Could we please politely remind you to provide a sun hat, sun cream and drinks bottle everyday in school.
