Friday 19th June-Father's Day Breakfast (8.20am)

Friday 19th June-Celebration Assembly

AFTER SCHOOL CLUBS

All after school clubs resume this week.

WHAT HAPPENED THIS WEEK

Unfortunately, the weather beat us again this week, meaning we had to make the very difficult decision to cancel our sports day events for the second time, some even on the day, as they were happening!! (Sorry to Y1&2 parents that you were drenched in the rain shower) Although, our F2 pupils were lucky enough to avoid the rain and all pupils participated in their events. Thank you to those parents that came along to support. Who would have thought that we would have so much rain in June! Looking at the forecast, next week looks like sunnier weather, so we are taking the chance to try holding them again on Monday & Tuesday of next week. (please see above for times).

It has been a very busy week in school, with both year 1 and year 4 undertaking their statutory tests. Our amazing year 1's undertook their phonics check. There were no nerves and all were calm, taking it in their stride. In year 4, they took the multiplication check, and once again they were all extremely calm, unnerved and resilient. Over the last few years, both year groups have worked extremely hard, showing determination and perseverance in abundance. We would also just like to take this opportunity to thank parent/carers for their support with this journey, we know it hasn't always been easy.

We are in week 2 of 'Varsity Season' and it has been varsity handball tournaments this week for years 1/2&3. They have competed against other schools in the family at Joseph Whitaker after school. Mr Shepherd says they have all showed the school values extremely well and are a credit to our school. The results were 1st place for Y1 and 3rd place for years 2&3-Well done everyone!

As part of the varsity season, staff from all 3 schools in the partnership competed against each other at ten pin bowling on Wednesday evening. On this occasion we came 2nd.

It is our Father's Day event next Friday. Children are invited to bring along that someone special in their life to participate in a general knowledge quiz, whilst enjoying a sausage cob. Please book your ticket no later than Monday 15th June.

Hopefully, the summer weather will return over the weekend and we can all start to enjoy the nice weather again!
