Monday -KS2 Choir Club
Tuesday-Y1&2 Outdoor Sports
Wednesday-Y3&4 Tennis Club
Thursday-Y3&4 Lego club
Friday- Y5&6 Cricket Club

WHAT HAPPENED THIS WEEK

It was third time lucky this week, and we finally managed to complete all of our sports days! Thankfully, the weather held out for all year groups. The children really enjoyed every sprint, jump and throw, all competing for first, second and third place. Today, those winners represented our school at the partnership games at Blidworth Oaks. Demonstrating impeccable behaviour, sportsmanship and joy. The winning school will be announced in next week's celebration assembly and photo's will follow. Can we retain the title?

F1 and Little Ducklings held their very own 'Sports Stay and Play' on Tuesday afternoon. For some children, this is their first experience of a school sports day and they all really enjoyed trying their best. We hope parents also enjoyed spending time with your child.

Year 5 ventured out on a trip to the National Safety Event at Vicars Water in Clipstone, on Wednesday. Although, the weather was a little overcast, they really enjoyed their time there. This event is attended by various agencies, aimed at teaching children invaluable lifesaving /safety skills. They were taught CPR and first aid, alongside water safety. In attendance: Nottinghamshire Fire & Rescue, Nottinghamshire Police and the Environment Department and many more.

Thank you to all those special people who attended our 'Father's Day' breakfast this morning. It was lovely to see so many of you, and we hope you enjoyed the quiz and sausage cob! These events always hold a special place in the school calendar and it gives us great pleasure to see the smiles on the children's faces. It also helps raise invaluable funds for school, that are always put back in to your child's education, through play equipment/ pantomimes at Christmas and other special occasions like high five equipment.

Hopefully, summer has now arrived and the sunny weather is here to stay. With this in mind, could we please politely request that you send your child into school with a sun hat, sun cream (either applied prior to school or brought in clearly labelled for them to apply) and a water bottle.

Have a wonderful weekend !.
