- Y6 Nicholas-For shining in play rehearsals.

This week in school

This week we held our class transition days. The children all really enjoyed meeting their new teacher and participating in lots of fun activities. Thank you to all those parents who joined us for the class meetings. Well done year 6 for your successful transition days at Joseph Whitaker. We are all looking forward to the new academic year now!

Year 1 ventured out on their trip to Southwell Workhouse today. Stepping back in time and experiencing life as a Victorian child.. The children really enjoyed this trip, demonstrating our school values in abundance.

Thank you to all those families that attended our 'Summer School Fair' today. We always value your support with these fundraising events, but more importantly, enjoy seeing the beaming smiles on the childrens faces having fun!

Have a great weekend in the sun.
