- Wednesday 15th-Friday 17th July-Y6 Residential
- Thursday 16th July- KS2 SATs Results Day

This week in school

Wow what a scorcher of a week!

A big thank you to all pupils for their resilience during this current heatwave. They have all coped tremendously well with the heat and changes to daily routine.

We were treated to a rock concert in school on Wednesday, as the 'Rock Steady' bands performed their end of year concert to parents. The hall was buzzing and all parents were rocking. Well done to all those pupils who have persevered learning a new musical skill this year.

Year 5 & 6 have been rehearsing extremely hard this week, in readiness for their annual performance next week. Thank you for all your support with costumes. Let me say parents, you are in for a real theatrical treat!
