Dear Parents/Carers

We are very excited to inform you that as part of our music curriculum, Year 4 have been given the amazing opportunity to take part in the 'Young Voices' choir. Young Voices is the largest school choir in the world where children from schools all across the country get together to sing a variety of songs that they have learnt and there is usually a special guest at the concert too.

In order to prepare for this experience, all children in Year 4 will be practising regularly as part of their usual school timetable to learn the songs and dance moves ready for the show.

The concert will be held on **Friday 12th February 2027** at the Utilita Arena in Sheffield. On the day, children will spend the afternoon rehearsing with the musicians in the arena, before the audience arrive in the evening. We take the children and bring them back to school afterwards, but parents can make their own way there and join us for the evening performance. You just need to book your own tickets.

Young Voices have changed the way the children are registered for their places this year and, rather than it being done by us through school, each parent must sign up to the Young Voices either by following this link <https://yvmusicroom.com/auth/parent/journey/welcome> or the QR code on the Young Voices flyer and add their child to the Music Room **by Monday 30th September 2026**.

Once you have registered, you will be able to access all of the songs we are learning. You will also be able to purchase your tickets for the evening performance via the music room. Tickets are on sale now! Book early to avoid disappointment, this is usually a sold-out event!

For the event we will provide the children with T-shirts and lights to enjoy the evening.

Further information regarding the trip will be sent to you nearer the time. In the meantime, should you have any questions please do not hesitate to contact us.

Yours sincerely
