Meeting (after school)
Friday 25th September-Celebration
Assembly

Overall Attendance: 94%
Y3 are this week's winners
again with 97%

THIS WEEK IN SCHOOL

It has been a very busy, productive week in school .

The week started with the annual flu vaccinations for F2 to Y6 pupils. A big well done to all the children for behaving sensibly and calmly whilst having their vaccine, you are all now Flu Fighters!

Thank you to all those parents who attended our termly 'Teacher Learning Celebrations' TLCs this week. It was lovely to see so many of you and to share just how well your children are settling into their new classes. They are all working tremendously hard and following the school values and new behaviour system extremely well.

Mrs Shirtliffe held her yearly SATs parents meeting on Thursday, a big thank you to all those parent/carers that attended. We cannot believe how quickly this has come around. We hope you found the information useful. If you missed the meeting, please do not hesitate to pop to the office and we will make sure Mrs Shirtliffe catches you in person.

Today was our individual photograph day, all the children looked extremely smart and there were some beaming smiles on show. Thank you to those families that attended prior to school for a sibling photograph. Hopefully you will all be extremely happy with the results!

Year 5 started their DAaRT journey this week, which is run by Life Skills Primary Education. They learn about drug, alcohol and resilience training. It is aimed at preparing them for secondary education and provides them with life skills.

Have a wonderful weekend!
