22 September 2026

Dear parents/ carers,

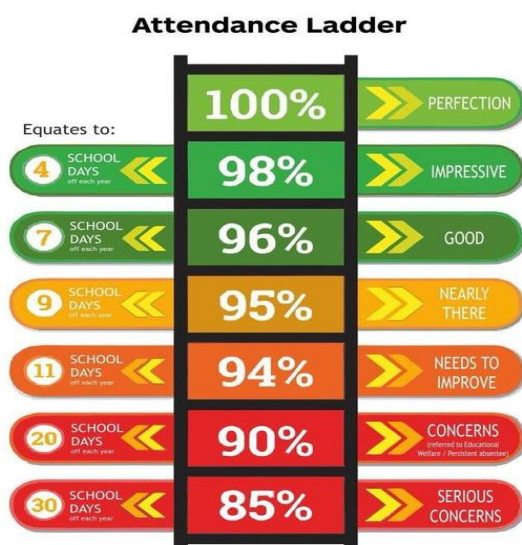

Welcome back to the autumn term. We have had a good first few weeks back in school and it has been lovely to see everyone back in school and ready to learn!

As we come into a new term, we wanted to remind you about the importance of good attendance for all of our children in school.

We will, as always, continue to take a compassionate approach to children's attendance and will continue to work closely with parents and take into account factors such as illness and existing medical conditions that may hinder or prevent children attending school. However, please remember that **term time holidays are not acceptable** in any form and cannot be authorised.

Each term, we look at the attendance of each child in school and, in line with government guidance, there is an expectation that we monitor more closely the attendance of any child whose attendance has fallen below 90%. This will mean parents/ carers will receive a letter highlighting this to them and the offer of support if needed we are always keen to help and support where we can in order to improve attendance.

You can find our full Attendance Policy and more information in the attendance section on our website: [Attendance Expectations, Absence Procedures and School Day Times | Lake View Primary School](#)

Yours sincerely,
Mrs Watson
