KEY DATES WEEK COMMENCING 28/9/26

Monday 28th September-Y1 Walk around the village

Wednesday 30th September-Y6 London Trip

Friday 25th September-Celebration Assembly

THIS WEEK IN SCHOOL

Today was our first 'Celebration Assembly' of the academic year and it was fantastic to see so many of our parent/carers in the hall supporting their child's successes. Well done to all our winners on your fantastic achievements, keep up the hard work.

During the week year 3 & 4 held an information sharing parents meeting after school, in relation to the y3 residential and y4 MTC check. If you missed these meetings, but would still like the information, please do not hesitate to contact school.

Our after school club sessions started up again this week, with a theme of football! They have proven to be extremely popular. Thank you to all those that have signed up. We are currently holding waiting lists for places, so if your child no longer requires their place, please let us know, we would be very appreciative.

In the last few weeks there has been an increase in the number of pupils bringing mobile phones into school, Could we please politely remind you that mobile phones are not allowed in school. We understand that if your child walks to and from school, then you may wish for them to have one for safety. If your child does walk and they are in y5&6, then they must hand them in at the beginning of the day for safe keeping and they will be handed back at the end of the day.

The weather is quite mixed at the moment, therefore could we please ask that children have a coat in school in readiness for those quick bursts of rain during the day. All items must be labelled with your child's name please. This just helps us return any lost items to the right owner.

Have a wonderful weekend!
