Monday -Y1&2 Football Club
Tuesday-Y5&6 Football Club
Wednesday-Y1/2&3 Drawing Club
Thursday-Y4/5&6 Board Games Club
Friday Y3&4 Football Club

THIS WEEK IN SCHOOL

We had a lovely 'Celebration Assembly' today, thank you to all those parent/carers that came along to celebrate in their child's success this week. We heard such wonderful stories of hard work, perseverance and just simply wonderful individuals who are kind to their fellow pupils and always making the right choices.

The week started with year 1 participating in a walk around the village of Rainworth. They explored and took in the sights of the local buildings, making note of the architectural designs. They loved walking around L-Lake seeing the ducks and swans.

Year 6 were luckily enough to be invited by Mr Walker to go on a road trip to London on Wednesday. They took in the sights of Buckingham Palace, Horse Guards, Trafalgar Square, Houses of Parliament, and even enjoyed a visit to the London Eye. Despite the very early start, the children were impeccably behaved and showed the school values in abundance. Although they were all extremely tired the next day they all put 100% effort into their learning- Well done year 6!

A selection of our year 5 & 6 boys represented Lake View School at a family of schools football tournament at Joseph Whitaker on Thursday. They all played their socks off!

We have had a few pupils not turn up to after school clubs over the last couple of weeks. Could we please politely remind you that if your child no longer requires their place, then can you please let us know, as we are currently holding waiting list. Many Thanks

Have a wonderful weekend!
