Thursday 18th September-1st Session DAaRT Y5
Friday 19th September-Individual Pupil Photographs

WHAT HAPPENED THIS WEEK?

Wow what a fantastic start to the new term. All of our pupils have started in their new classes so positively and thoroughly enjoying their work and experiences.

We would just like to say thank you to all those parent/carers who attended our first Celebration Assembly of the academic year. These assemblies are extremely important to us and are always a lovely way of rounding our week off in school, celebrating with parents the hard work and determination of our pupils. Please remember to look out for an invitation from your child's class teacher each week, if your child has been chosen.

The children have had their first full week experiencing the new Autumn menu and there have been clean plates all around :-)

Don't forget that next week is our first 'Teacher Learning Celebration' event (TLC's) of the year. This first meeting is an opportunity for the class teacher to discuss how your child has settled into their new class and an opportunity for you to share anything about your child that you would like the class teacher to know.

Just a reminder that individual school photographs are being taken in school next Friday the 19th September. Sibling's in school will have the opportunity to have their photograph taken together within school time, but just a quick reminder that from 8am we are offering the opportunity for family group photograph's eg if they have a sibling not of school age . Please contact the school office to arrange a time slot.

Have a great weekend :-)
