Y3/4/5/6-4.30pm-5.30pm

Friday 10th Oct-INSET DAY

WHAT HAPPENED THIS WEEK?

Wow, what another busy week in school, thank you to those parent/carers that attended today's Celebration Assembly, we always like to finish the week on a positive and there were so many lovely stories to hear about how hard the children have been working and how well children have settled into their new classes this term.

Can we just remind you that next week is our Halloween Disco on the 9th October 2025, tickets are available to purchase using the gateway app. F2/Y1 & Y2 children will be able to get changed in class, so please make sure they bring their costumes with them. We will also be running a tuck shop for the children to purchase sweets & snacks.

We have sent out details via Dojo about the National Flu Immunisation Programme 2025. The immunisation team will be here within school hours on Tuesday 2nd December. There is an online consent form for you to complete prior to the day, can you please follow their instructions.

As the Autumn weather has most definitely set in, could we please remind parents/carers to send their child into school with appropriate outer wear and sensible wet weather footwear. We would hate for any child to get cold and wet through not having the appropriate clothing/footwear and have to sit in them all day.

Have a great weekend :-)
