Thursday 16th- No Swimming  
Friday 17th- Celebration Assembly  
**Friday 17th - LAST DAY OF TERM**

### WHAT HAPPENED THIS WEEK?

We took the opportunity to hold our weekly Celebration Assembly on Thursday this week, as we believe in the importance of these assemblies, not only to our pupils but their parent/carers. We always like to finish our week on a positive, celebrating all the determination, perseverance and hard work of each and every one of our students.

This week our year 6's had a jammed packed enjoyable day in London. They were all impeccably behaved and showed their school values well. They took in the sights of the The National Gallery, Houses of Parliament inc Big Ben, Buckingham Palace, Horse Guards Parade and Westminster Abbey. They experienced the thrill of the London Eye taking in a birds eye view of London. It's safe to say they certainly got their daily steps in and must have slept well!

Thursday was our Halloween Disco for all pupils from F2 to Year 6. All the children were very excited and enjoyed socialising with their friends and we witnessed some spooky moves on the dance floor.

Please do not forget tomorrow, Friday the 10th Oct is an Inset Day and school is closed to all staff and pupils. We look forward to seeing all children back in school on Monday the 13<sup>th</sup> for their last week of this term.

Have a great weekend :-)
