### WHAT HAPPENED THIS WEEK?

Thank you to all those parent/carers that attended the last Celebration Assembly of this half term. We finished this half term on a high and it was lovely to hear all the stories from the teachers about the hard work, perseverance and ambition the children have shown this half term, well done everyone!!

This week our year 3's were waved off on their residential to Sherwood Forest Youth Hostel. They started their 2 day adventure with a trip to Sherwood Pines. Whilst there they enjoyed participating in a Go Ape activity. They then put their PJ's on and settled down for a film and hot chocolate in the evening, before enjoying a second day full of activities and exploring the grounds of Sherwood Forest.

Today was 'Show Racism the Red Card' day to which we invited children to swop an item of uniform for something red. When you looked in the hall at assembly time, all you could see was a sea of red and many smiling faces. As a school we are particularly lucky that all of our families support such important events like this, so thank you.

We would just like to say another big thank to all those parent/carers that have supported our fundraising efforts this half term. With the ticket sales from the Halloween disco, tuck shop and selling of sweets/bows we have made just over £500. This money will be used to improve outdoor provision.

We would just like to take this opportunity to wish you all a very safe, happy and enjoyable half term break and we will see you all when you return to school on Monday 3<sup>rd</sup> November 2025.
