GOLDEN TICKET WINNERS

F2 & Y3

WHAT HAPPENED THIS WEEK?

Wow what a fantastic start to the second half of Autumn term. It was lovely to see all the children return on Monday after a well rested break. They have settled back into their learning journey tremendously well.

This week our year 4's turned the school hall into a pizza parlor and the aroma smelt delicious! All the children were extremely proud of their efforts and there were some splendid pizza boxes made. Thank you to all those parents/carers who came to support. We hope you all enjoyed sampling their tasty delights later that evening.

Now we are in November and the cold weather is definitely setting in, could we please politely request that all pupils attend school wearing appropriate clothing and footwear for the cold. We would also suggest a hat and gloves for break times. Please look out for information on our Dojo pages/school website and Facebook in relation to our 'Severe Weather Procedures Policy'.

This week our House Captains have been busy selling poppies and we would just like to say another big thank to all those parent/carers that have supported this sale of poppies on behalf of the Royal British Legion. These will continue to be on sale until next Friday the 14th. If you would like to purchase any of the goods on sale then please pop to the school office after school.

The after school activity clubs have started up again this week and will run up to the end of term. Could we please request that if your child is no longer interested in attending, that you let the school office know so that a place can be offered to another child. Some of the clubs have a waiting list.

Have a great weekend :-)
