## WHAT HAPPENED THIS WEEK?

Thank you to all those parent/carers that braved the elements and attended our celebration assembly this morning, it was lovely to see you all. We heard some amazing stories of how hard the children have been working producing some outstanding pieces of work and persevering when the going has been tough.

The week started with the launch of 'Anti-Bullying Week' and pupils were invited to wear odd socks. The children throughout the day participated in anti-bullying activities and some classes designed their own odd socks and puppets.

The whole of school observed a minutes silence on Tuesday for 'Remembrance Day' and the house captains of all 3 schools, alongside Mr Walker represented the school at Joseph Whitakers Remembrance Parade. We are extremely proud of all of our pupils.

Today is 'Children in Need' day, to show our support children were invited into school wearing their PJ's or comfy clothing of their choice for a small donation. When you looked in the hall at assembly all you could see is a cosy array of PJ's and little pudseys. Thank you to all those parents/carers that supported by sending in a donation. School Raised £111.

Could we please remind everyone that at the start of the school day all children need to be stood with their responsible grown up and not climbing on the play equipment. We need to make sure that all pupils are safe from any accidents prior to school. Many thanks for your understanding in this matter.

This week has been a particularly wet, windy and cold week and the children have been coping tremendously well when we have had to pull breaks indoors. Could we please just remind parents to send appropriate wet weather footwear into school to avoid soggy socks!

Have a great weekend :-)
