(all 5 year old pupils who have given consent)

Thursday 27th November-Y4 Swimming

Friday 28th Cut off day for tickets (Tea with Santa)

GOLDEN TICKET WINNERS

F2 & Y3

WHAT HAPPENED THIS WEEK?

Thank you once again to all those parent/carers that braved the cold, icy weather and attended our celebration assembly this morning, it was lovely to see you all. These assemblies are always a great way of school showing parent/carers and pupils that they are showing school values consistently, which we are very proud of.

Year 3 created their own curry this week and parent/carers were invited in to sample the delicious curry on offer. The children advertised and promoted just like a real business. The smell wafting around school was delicious!!

Year 1 & 2 have started their rehearsals for the Christmas Performance taking place on 9th & 10th December. All of the pupils have been working tremendously hard learning their lines and songs. The sound of Christmas songs being sung beautifully in tune has been making the office staff very cheerful :-)

On the run up to Christmas we have quite a few performances and key dates in the calendar such as Christmas Dinner Day, Christmas Carol Concert and Pantomime. Could we please politely ask that you look out for any deadlines for ordering tickets, as once the deadlines have passed we will unfortunately not be able to add to the numbers.

Could we please remind everyone that at the start of the school day all children need to be stood with their responsible grown up and not climbing on the play equipment. We need to make sure that all pupils are safe from any accidents prior to school. This is particularly important now as the weather has turned icy and the playground potentially slippery. Many thanks for your understanding in this matter.

Have a great weekend :-)
