## WHAT HAPPENED THIS WEEK?

Wow our school hall was a proud place to be this morning :-). Thank you to all those parents who came to celebrate their child's successes this week. We heard stories of how our children are continuously showing our school values in their learning.

Our 5 year olds who consented participated in a Community Dental Survey, in which they had their teeth examined by a dentist in school. They were all very brave and sat beautifully. There is some superb tooth brushing taking place-well done!

Again year 1 & 2 have been rehearsing for their Christmas Performance taking place on 9<sup>th</sup> & 10<sup>th</sup> December. The progress made over the week has been tremendous and they have all become star performers.

Alongside year 1 & 2 the foundation stage children have now started rehearsing for their Christmas performance on the 9<sup>th</sup> December 2025. There were a few apprehensive children at first on the stage, but by the end they were all singing their hearts out. Please do not forget to book your place.

On the run up to Christmas we have quite a few performances and key dates in the calendar such as Christmas Dinner Day, Christmas Carol Concert and Pantomime. Could we please politely ask that you keep a look out for any deadlines for ordering tickets, as once the deadlines have passed we will unfortunately not be able to add to the numbers.

This week a selection of our pupils were invited to a discussion session with EMET's Catering Manager, they were able to share their opinions on the current menu and offer suggestions of what they would like to see on the new menu coming out Spring Term. They were all very sensible in their suggestions, so watch this space!!

Have a great weekend :-)
