Wednesday 10th December- KS1 Christmas
Performance (2.30pm-3.30pm)

Thursday 10th December - Y4 Swimming

Friday 11th December-High 5 Reward

WHAT HAPPENED THIS WEEK?

What a busy week we have had in school this week.....

We started the week with the school immunisation team in attendance, administering the flu nasal vaccine. Thank you to all those parent/carers who consented. The children were all extremely brave and showed their school value of compassion to one another. They all waited in line nicely and the morning ran very smoothly.

Once again this week year 1 & 2 have been rehearsing for their Christmas performance taking place on 9th & 10th December and have also held a couple of dress rehearsals. We have some little stars in the making and I am sure they will all make you very proud on the day.

Sharing the stage this week have been the foundation stage children, who have also been rehearsing for their Christmas celebration afternoon, next Tuesday. It is safe to say that they have all enjoyed this new experience and there have been some beautiful songs being sung at the top of their voices.

Santa came for tea this week and he visited our F2, Year 1 & Year 2's . The children all enjoyed a lovely tea, a chat with Santa and some Christmas Carols. Every child who attended received a gift from Santa which we hope they enjoy. Please see your class dojo for photo's.

Building work has most definitely started this week on the old caretakers bungalow. As you can see they have erected safety barriers around the perimeter, could we please politely ask that you supervise your child when dropping off and collecting to ensure safety at all times.

Our 'House Captains' attended church this morning to erect our Christmas tree on behalf of our school community.

Have a great weekend :-)
