28th November 2025

Dear Parents/Carers,

School Building Works – Expansion to Nursery Provision

As you may be aware, our school has been awarded a government grant to expand our existing nursery provision, which will enable us to take children aged 2 into our school. Known as the 'Little Ducklings', the 10-place nursery provision will provide 15 and 30-hour nursery support for eligible families and is due to open in April 2026, ready for the summer term.

Although slightly later than planned, we are now ready to start the building works phase of this project. This will involve redeveloping and repurposing an existing unused building and land on our school site which was previously known as the 'caretaker's bungalow'.

This work is set to start this week on Friday 28th November and will last through to March 2026. Due to the bungalow and grounds currently sitting separately from the main school buildings and nursery, this building work will not impact the day-to-day operation of school. However, as the works are taking place next to the pedestrian gate entrance to the Year 3-6 classrooms, we are asking all persons who use this entrance at drop off and collection times to take care when moving through this area of the school site. Of course, the building site will be cordoned off and we will continue to enforce our 'no vehicle movement' on the school site between the hours of 8.30am-9.05am and 3.10pm-3.30pm, but it is still important that everyone remains vigilant in order that we continue to keep our site as safe as possible.

This is a very exciting new phase for our school. However, I can assure you that the safety and education of children on our site now remains our utmost priority. If you have any questions or concerns about this project, please don't hesitate to contact us.

Yours sincerely,

Mr Walker
